Evaluation policy

- **Deadlines and rescheduling policy** : Papers that are submitted late without good reason will receive a lower grade (-20 points). Rearranging modules takes place with the permission of the dean's office if there are good reasons (for example, sick leave).
- **Academic Integrity Policy** : All written work is checked for plagiarism and accepted for defense with correct textual borrowings of no more than 20%. Write-offs during control work are prohibited (including using mobile devices). Mobile devices are allowed to be used only during online testing (for example, the Kahoot program).
- **Attendance Policy** : Attendance is a mandatory component of the grade for which points are awarded. For objective reasons (for example, illness, international internship), training can take place online upon agreement with the head of the course.
